2027 Open Webinar Dates

Mentor-Connect Webinar: NSF Annual & Project Outcomes Reports
Wednesday, April 7
3:00-4:00pm ET
Register here: https://us06web.zoom.us/webinar/register/WN_BfGtRuGASjKpn-IF1uR6Zg

This webinar includes an Overview of NSF reporting requirements and how to monitor these requirements in Research.gov. There will be a deep dive into the preparation of Annual Reports, including how the project evaluation and how the evaluator's report becomes part of the annual report to NSF. Last, there will be a review of requirements for the Project Outcomes Report that will need to be prepared as your project comes to an end.

Mentor-Connect Webinar: Preparing Forms for your NSF ATE Proposal
Wednesday, April 14
3:00-4:00pm ET
Register here: https://us06web.zoom.us/webinar/register/WN_C06NTnVOTYCbJP3z9R-ifA

Forms can make up 2/3 of a final proposal submission and impact the quality and accuracy of a proposal. This webinar will provide an overview of proposal forms that need to be completed, share information about how to navigate and do this work in Research.gov, and highlight specifics about completing each required form.

Mentor-Connect Webinar: ATE Budgets and Forms: Personnel Documents
Wednesday, April 28
3:00-4:00pm ET
Register here: https://us06web.zoom.us/webinar/register/WN_hdYAg_tHRv-ZHbUlWpAz1w

This webinar will cover the Senior Personnel Documents required for proposals and Personnel Direct Costs (Parts A-C) which are in the Budget Template. Other topics will be how to utilize SciENcv and the two types of documents that must be prepared and submitted in this Federal grant-support system which is external to NSF.

Mentor-Connect Webinar: NSF ATE Proposal Budget and Budget Justification
Wednesday, May 12
3:00-4:00pm ET
Register here: https://us06web.zoom.us/webinar/register/WN_8FO3QcyNSPO1pJt1KI6U9g

This webinar will include topics on how to prepare a budget for your NSF ATE grant, what to include in each budget category, and how to prepare a budget justification. There will be information on how to align the budget and project description, and how to avoid common errors.
